**Decline, Renewal and the City in Popular Music Culture** Nov 12 2021 How is popular music culture connected with the life, image, and

identity of a city? How, for example, did the Beatles emerge in Liverpool, how did they come to be categorized as part of Liverpool culture and identity and used to develop and promote the city, and how have connections between the Beatles and Liverpool been forged and contested? This book explores the relationship between popular music and the city using Liverpool as a case study. Firstly, it examines the impact of social and economic change within that city on its popular music culture, focusing on de-industrialization and economic restructuring during the 1980s and 1990s. Secondly, and in turn, it considers the specificity of popular music culture and the many diverse ways in which it influences city life and informs the way that the city is thought about, valued and experienced. Cohen highlights popular music's unique role and significance in the making of cities, and illustrates how de-industrialization encouraged efforts to connect popular music to the city, to categorize, claim and promote it as local culture, and harness and mobilize it as a local resource. In doing so, she adopts an approach that recognizes music as a social and symbolic practice encompassing a diversity of roles and characteristics: music as a culture or way of life distinguished by social and ideological conventions; music as sound; speech and discourse about music; and music as a commodity and industry.

*Topicalization and Stress Clash Avoidance in the History of English* Dec 21 2019 The use of object topicalization declined in Middle and Early Modern English because with the loss of V2, topicalization easily led to prosodically ill-formed sentences with focal accents in clash. The book presents and discusses the effects of this ;Clash Avoidance Requirement in present-day English and German as well as in Old English, where it plays a crucial role in subject movement.

**Materials on Left Dislocation** May 26 2020 Materials on Left Dislocation consists of two parts. Part I contains a selection of the main texts on which our present understanding of the Left Dislocation construction is based. For various reasons most of these texts had never been published, or are published in obsolete places. These articles, by Van Riemsdijk & Zwarts, Rodman, Hirschbuehler, Vat, Cinque and Zaenen, contain the first arguments that pertain to the major questions about Left Dislocation (for example whether movement or base-generation is involved), and they present the rationale for the now standard distinctions between Hanging Topic LD, Contrastive LD, and Clitic LD. In Part II a number of recent contributions to the grammar of Left Dislocation are brought together. In these articles, by Anagnostopoulou, Demirdache, Escobar, Van Hoof and Wiltschko, new aspects are being explored such as the relationship between LD and the grammar of focus and the role of clitic doubling and its semantic effects in Clitic LD. Furthermore, the empirical basis is broadened to encompass more languages. Finally, these articles explore the relationship between LD and a number of apparently unrelated constructions such as split topicalization. The book constitutes an indispensable tool for any linguist who seriously works on dislocation phenomena.

*Savonarola's Women* Apr 05 2021 Girolamo Savonarola (1452-1498), the religious reformer, preacher, and Florentine civic leader, was burned at the stake as a false prophet by the order of Pope Alexander VI. Tamar Herzig here explores the networks of Savonarola's female followers that

proliferated in the two generations following his death. Drawing on sources from the fifteenth and sixteenth centuries, many never before studied, transcribed, or contextualized in Savonarolan scholarship and religious history, Herzig shows how powerful public figures and clerics continued to ally themselves with these holy women long after the prophet's death. In their quest to stay true to their leader's teachings, Savonarola's female followers faced hostile superiors within their orders, local political pressures, and the deep-rooted misogynistic assumptions of the Church establishment. This unprecedented volume demonstrates how reform circles throughout the Italian peninsula each tailored Savonarola's life and works to their particular communities' regionally specific needs. Savonarola's Women is an important reconstruction of women's influence on one of the most important and controversial religious movements in premodern Europe.

*Sara's Story and the Impact of Alzheimer's* May 18 2022 Sara would choose to be remembered for the person she was-a whole person having lived a full, productive life. She was far more than one who succumbed to Alzheimer's disease. Her story is of one who overcame obstacles by virtue of her inherent gifts. She made her mark as a faithful wife, mother, and exemplary educator. In her chosen field of speech therapy, she was trained by pioneering professionals who found in her the perfect disciple. Sara touched the lives directly and indirectly of many thousands of children in a vital way. That way was through helping children and youth to build their speech and language skills. She constantly emphasized the pragmatics of communication-communication that was practical, effective, and facilitative of positive interpersonal relationships. She had health problems to contend with and she did so with courage. In later life, she was able to deal with Alzheimer's in a dignified way. She had the aid of others in doing so. Particularly, she had her husband who stood by her, demonstrating the power of love. The story of this love is told dramatically through her husband's journal written during the crucial years of their battle with this tragic disease.

**Reframing Modernism: Painting from Southeast Asia, Europe and Beyond** Sep 29 2020

What is modernism in Southeast Asia? What is modern art, as embodied in the paintings of Southeast Asia? These questions and more are answered in *Reframing Modernism: Painting from Southeast Asia, Europe and Beyond*, published in conjunction with the exhibition of the same name. Featuring 217 works, in full colour, by 51 Southeast Asian and European artists, from the Centre Pompidou and National Gallery Singapore, as well as other Southeast Asian collections in the region and beyond, this catalogue tells the compelling story of modernism as it developed across continents, and reveals artists' powerful, and sometimes surprising, responses to modernity.

*The Morphosyntax of Portuguese and Spanish in Latin America* Jul 08 2021 Recent trends in syntax and morphology have shown the great importance of doing research on variation in closely related languages. This book centers on the study of the morphology and syntax of the two major Romance Languages spoken in Latin America from this perspective. The works presented here either compare Brazilian Portuguese with European Portuguese or compare Latin American Spanish and Peninsular Spanish, or simply compare Portuguese and its varieties with Spanish and its varieties. The chapters advance on a great variety of theoretical questions related to coordination, clitics, hyper-raising, infinitives, null objects, null subjects, hyper-raising, passives, quantifiers, pseudo-clefts, questions and distributed morphology. Finally, this book provides new empirical findings and enriches the descriptions made about Portuguese and Spanish Spoken in the Americas by providing new generalizations, new data and new statistical evidence that help better understand the nature of such variation. The studies contained in this book show a vast array of new phenomena in these young varieties, offering empirical and theoretical windows to language

**White Lies** Apr 29 2023 Missy's sweet sixteenth is just around the corner, but her last three birthdays haven't exactly been cause for celebration. Her beloved little brother died when she turned thirteen and now birthdays are just painful reminders of the void in their lives. If only she had walked him to school that morning, like she was supposed to ... To add fuel to the fire, Missy's mom was arrested just before she could blow out the candles on her fifteenth birthday. To escape her guilt and her father's alcohol-induced rages, Missy volunteers at a nearby store where she busies herself to shut out the feelings that her therapist seems to be pushing her to feel. But then Missy meets Luke — a new classmate she cannot stop thinking about. Luke understands what she is going through more than anybody, but will Missy ever be able to let him in?

Cutia Jan 02 2021 Un thriller plin de suspans scris de un nou duo nordic — începutul unei serii captivante. Când o femeie ucisă este găsită într-o cutie străpunsă cu săbii, poliția este descumpănită: a fost un număr de magie care n-a mers cum trebuie sau o crimă extrem de brutală? Mina Dabiri lucrează la poliția din Stockholm și primește ajutorul lui Vincent Walder, un mentalist și expert în limbaj corporal și magie. Mina și Vincent fac legături cu cazuri mai vechi și își dau seama că sunt pe urmele unui criminal în serie nemilos, care trebuie oprit înainte să mai facă și alte victime. Însă personalitățile dificile ale celor doi complică situația; amândoi poartă secrete întunecate, iar trecutul lor pare legat de ceea ce se petrece acum. Iar ei trebuie să fie cu un pas înaintea ucigașului. Trebuie să se familiarizeze cu nebunia ca să-i poată pune capăt. „Un criminal în serie pasionat de trucuri magice și imitații este ideal pentru un thriller care-ți crește pulsul și îți asigură o evadare captivantă din realitate. Läckberg și Fexeus știu cum să scrie o carte pe care o citești pe nerăsuflăte, deși are dimensiunile unei cărămizi.” - Göteborgs-Posten „Când Läckberg își unește forțele cu Fexeus, avem entertainment nerușinat de palpitant.” - Ystads Allehanda „Un roman extrem de tensionat, care inevitabil te ține ca pe ace. Nu vrei decât să citești sutele de pagini dintr-o suflare.” - De Telegraaf „Atât intriga, cât și analizele comportamentale care străbat povestea polițistă ca un fir roșu îl țin efectiv captiv pe cititor. Măiestria cu care scrie Läckberg romane polițiste și ingredientele noi aduse de Fexeus oferă o experiență convingătoare.” - Jyllands-Posten
